

# Caeser Ibrahim

I am an ambitious and dedicated Full-Stack junior web developer and graphic designer with a bachelor's degree in architectural engineering and interior design with a passion for designing, debugging and building dynamic interactive websites.

I graduated from Makers Academy, an immersive 16- weeks full-stack software development BootCamp, where I strengthened my coding knowledge. I'm friendly, confident and always working on improving my skills and learning new technologies.

Key technologies: Programming languages: JavaScript and Ruby. Frameworks: React, Node, Next, MERN, Testing: RSpec, Jest & use other tools like Git, GitHub, Command-line, HTML, CSS, Sass, Figma, SQL, Firebase, MongoDB, Adobe Photoshop.

## EDUCATION
